If you **aren't** eligible you will receive following information

Theodore Medical Centre are not currently accepting appointments for patients under 50 years old for the AstraZeneca vaccine.

You (██████████) are eligible to receive a COVID-19 vaccine. Based on Department of Health recommendations, the Pfizer vaccine is recommended for under 50 year olds but there are no Pfizer vaccination clinics at this stage.

In some situations, people aged under 50 years might be recommended to receive the COVID-19 AstraZeneca vaccine. If you wish to discuss this, please make an appointment with your usual health care provider.
